  - Things are progressing, took over September 1st. Had a very long gap with a lot of catching up and organizing to do. Big goal right now is to get everyone up to speed with payments. ACH did not work this year we have to rely on cash, check or credit card. Everyone received personal emails this past weekend about payments. Next month there will be a budget update once everything is in order.
  - Molly Ausetz asked about Booster Fee participation status and how uncollected booster fees might affect our finances. David advised that we would be able to have a better sense of this at the November meeting. The question was also raised how non-payment would be handled in regards to participation for Nationals teams due to the fact we are going to need to book airfare and hotel. If a cheerleader has not made any payment or has not made payment arrangements would they be removed from mat? Coach Kristen advised that they would not be allowed to participate and would be removed from the mat.
- **Fundraisers**
  - Little Leaders Update 75 girls that signed up, bought the tshirts hopefully will make between 1500-1900. (Salt delivery Minnetonka football team does this and it is their form of CCC. Each player had to sell 150 bags of salt. The cheerleaders did not help with the Salt delivery.
